

PRAIRIE BARS FOR INDIAN

Klock Werks Prairie Bar FIT KITS for 2015+ Indian Chief Classic and Chief Vintage combine traditional beach bar styling with a more comfortable, relaxed cruising position. Prairie Bars are wider and lower than the stock bars on your Indian Chief Classic or Vintage, with 3" more pullback for reduced reach to the handgrips and controls. And for the first time in the aftermarket parts offering, Klock Werks makes it easy for you to replace your stock bars by including necessary cables in the convenient Prairie Bar FIT KIT! Bars available in chrome or black, cables are black in both kits.
