

SEAT PAN KITS

Klock Werks has put together two great seat pan kit options for the Indian Scout. The Outrider seat pan kit comes with a smaller, sportier, black leather seat, and the Klassic comes with a more traditional, larger, brown seat. Kits include everything needed to convert, including the seat! Metal pan and all brackets are black powder-coated. Easy to install.

FOR 2015+ INDIAN SCOUT, 2016+ SCOUT 60
