

## FRONT FENDER FIT KITS FOR INDIAN SCOUT

Klock Werks makes it easy to customize your new Indian Scout with 3 new bolt-on front fender styles. The **Benchmark** is a more slammed, lower profile look. Klock Werks **Klassic** Front Fender is a timeless style, representing the design lines of the Scouts of the 20's and 30's. **Outrider** Front Fender (shown on bike) is a tire hugging, direct bolt-on replacement complete with built in mounting tabs threaded to match factory hardware.

All Klock Werks fenders are stamped from 14 gauge steel using precision deep-draw stamping technology that ensures a consistently smooth and flawless finish that minimizes bodywork. They are then e-coated to prevent rust and corrosion from manufacture to paint booth and beyond, as it continues to resist rust after paint. Precision laser cut technology ensures accurate fitment.

**BENCHMARK FRONT FENDER**

**KLASSIC FRONT FENDER**

**OUTRIDER FRONT FENDER**
