

## SOFTAIL SLIM REAR FENDER

Klock Werks offers a new stamped steel rear fender for your Softail Slim! This direct bolt-on replacement fender offers instant style, using stock mounting locations and hardware. There's no better way to achieve a kustom look with such ease. Available in smooth and frenched plate pocket version that utilizes Klock Werks 130mm plate frame.

All Klock Werks fenders are stamped from 14 gauge steel using precision deep-draw stamping technology that ensures a consistently smooth and flawless finish that minimizes bodywork. They are then e-coated to prevent rust and corrosion from manufacture to paint booth and beyond, as it continues to resist rust after paint. Precision laser cut technology ensures accurate fitment.
